Dedication

Dick Skinner has been associated with the Corrigan High School for a period of twenty-one years. He drove the school bus from 1939 until 1951, when he became custodian for Corrigan High School. Since that time he has become valuable both to his own department and to the students of Corrigan High School.

Out of approximately one hundred out of town football games there have been since 1939, Dick has missed only one game. This was due to the death of his father.

In short, Dick Skinner is a person who is remembered by ex-students, and who will be remembered in the future by the students of today. Thus, in realization of his past achievements and confident in his future contribution to Corrigan High School, the Blue Quill Staff dedicates this record of this past year's activity to Dick Skinner.

Mid the pine hills of East Texas
In old Polk County,
Sweetest memories we'll cherish,
Memories of thee.

Surely thou will be,
Ever worthy of our homage,

Dear Students,

In future years, this annual will serve to remind each of us of the events and activities; the friends and classmates, that have all combined to make this a happy and successful school year. It will serve this purpose well because of many hours of work and planning by the Annual Staff. The result which they have achieved is a tribute to their dedication to the task and their determination to produce a book of which we could all be proud. This determination to succeed and pride of accomplishment are traits which we all admire and should attempt to emulate. The formulation of a plan; the dedication of our time and efforts to its fulfillment; hard work to reach this goal; and pride in the result is an excellent pattern for the production of a yearbook or the living of our lives.

Dear Students

The pictures and words in this annual can not possibly reveal the quality of the school spirit, friendship, and good times that transpired in the 1960-61 school year. It will serve as a reminder, though, of these wonderful activities--it will furnish you with many pleasant hours in the years to come.

I would like to express my appreciation to the BLUE QUILL staff, the businessmen, and you, our wonderful student body, for making this possible.

Sincerely yours,

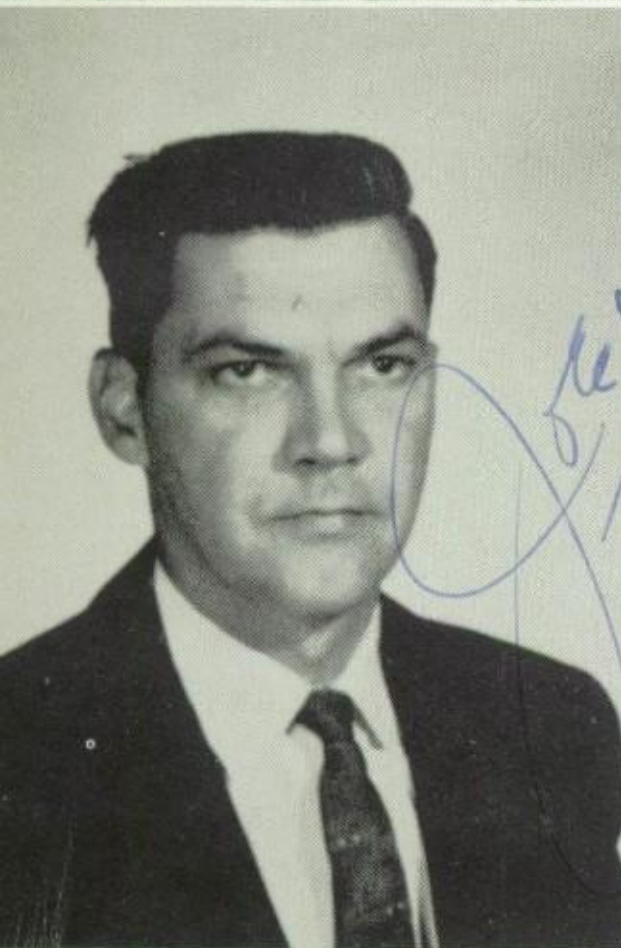

James Sims

Season Summary

With Glenn Cross as their new Coach, the Corrigan Bulldogs opened their 1960 Basketball season. The Bulldogs competed in the east zone of District 20A with Hudson, Central, and Diboll. The Bulldogs had eleven players from last year's team which included three lettermen. The Bulldogs seem to have had a better team overall than the 1959 team in height as they had eight boys six feet and over. Next year, the Bulldogs are looking forward to a successful season with Coach Cross.

Editor's Message

This concludes the 1960-61 Edition of the Blue Quill. We, the Annual Staff, sincerely hope that you have enjoyed our annual as much as we have enjoyed producing it for you. We have endeavored to capture the highlights of the 1960-61 school year and it is our hope that as you turned the pages, you have, in memory, lived again the happy school days of this year.

We, the staff express our sincerest thanks to Mrs. Eddins, our sponsor, for her many hours of work and guidance. I, as Editor, also want to thank my editors and assistants for all their work, and to all who in any way helped in the production of this annual. All these people have helped to make possible an annual of which we hope you will always be proud.

Sincerely,

Martha Sirman
